

## Join Us at the 2025 BIG SKY AI FORUM – A Fresh Take on the Future of AI October 7-8, 2025 | AC Hotel | Bozeman, Montana

We're excited to announce our second annual event – the **2025 Big Sky AI Forum**, the premier American gathering for leaders shaping the future of artificial intelligence in finance. Following the success of our 2024 AI event, this year's forum debuts a *new and improved format* designed to spark deeper insights, broader collaboration, and real-world innovation.

### What's New in 2025?

-  **Moderated Panel Discussions** – Hear from top minds in AI policy, development, and application as they engage in dynamic conversations around the technologies transforming our industries.
-  **Insightful Presentations** – Leading AI firms will present cutting-edge solutions and strategies reshaping multiple sectors of finance, wealth management and more
-  **Expanded Networking** – Connect with executives, technologists, investors, and innovators who are actively building the future of responsible AI.

From practical use cases to ethical frameworks, the **2025 Big Sky AI Forum** will spotlight how artificial intelligence is being deployed within the financial sector today—and what's next on the horizon.

**Don't miss your opportunity to be part of this pivotal conversation in one of the most inspiring settings in the country.**

Brought to you by the teams from **Digital Wealth News, AI&Finance** and **AI Center for Financial Professionals**.

*This exclusive event will feature a highly curated guest list and limited seating to ensure meaningful interaction and high-value connections. Space is limited, so we encourage you to reserve your spot now and be part of shaping the future of AI from the heart of Big Sky Country.*
